

Phase II Residences at Carronade

Developed by Weston Inc. | Located in Perrysburg, Ohio | Phase II 108 Units | Opened in July of 2016

Weston completed the 108-unit Phase II of the immensely successful Residences at Carronade. This new phase brought the community to 248 units in eleven buildings including a luxury heated swimming pool, sun deck, fitness center, clubhouse with a media room, and a fireplace in every suite. Architectural design was once again provided by North Coast Architects, and construction was performed by Weston.
