

Phase I Residences at Carronade

Developed by Weston Inc. | Located in Perrysburg, Ohio | Phase I 140 Units | Opened in April of 2011

In September 2010, Weston began developing the first phase of a 248-unit upscale apartment complex in Perrysburg, OH. Phase I consists of 140 units on a park-like setting with a spacious clubhouse that features a salt water pool and sun deck, Wi-Fi cafe, fitness center, a clubhouse with a media room, and a fireplace in every suite. Phase I was completed on-time and on-budget in April 2011. At completion it was at 70% occupancy. Architectural Design was provided by North Coast Architects and construction was performed by Merit Enterprises, a division of Associated Estates.
