The Advantage

With multiple interstate access and its adjacency to Cleveland Hopkins International Airport, this site is attractive to regional and national companies.

The Site is Flexible

- The site will be developed based on the need in the marketplace
- High visibility
- 2 interstates that intersect the area
- New utility services with heavy power
- Modern facilities
- Surrounded by a large labor force
- Outdoor storage opportunities available on site

The Site is User Driven

- Manufacturing and Light Assembly
- E-Commerce
- Bulk Distribution
- High-Tech Climate Controlled Operations
- Regional and National Corporate Facilities
- Aerospace and Aeronautical Operations
- Utility and Mining Firms
- Many more

Location

- Located less than 1 mile from Cleveland Hopkins International Airport
- Located within 2 miles of:
 - Interstate 71
 - Interstate 480
- Located within 10 miles of:
 - Interstate 90
 - Interstate 77
